Lorenzo Bezzecchi is an architect and a graphic designer based in Carpi.

A graduate from the Milan Polytechnic University, since 2007 he deals with design and visual communication. Freelancer, he works as architect, visual designer and corporate image consultant.

He collaborates with companies and professional studios offering consulting and design services.

Il mio studio si occupa di comunicazione visiva.

Specializzato da oltre 10 anni nella progettazione di identità e nel disegno di layout editoriali, sviluppa progetti d'immagine e comunicazione avvalendosi, a seconda del contesto, di un fidato network professionale.

Con coerenza e uniformità di linguaggio visivo, progetta sistemi grafici semplici e flessibili, utilizzando al meglio tipografia, segno e colore.

Lo studio affianca i propri clienti nelle scelte d'immagine, dalla fase di progetto a quella esecutiva.

My studio deals with visual communication.

Specialized for over 10 years in identity design and editorial layout drawing, it develops image and communication projects using, depending on the context, a trusted professional network.

With coherence and uniformity of visual language, the studio designs simple and flexible graphic systems, making best use of typography, sign and colour.

The team supports its customer in the image choices, from the project phase to the final one.
